- Node.js

Certifications

NPTEL

● Joy of Computing using Python

● Fuzzy sets, logic system and applications

Experience

OpenText (previously Micro Focus)
Transformative technology solutions for streamlined data management.

Software Engineer Intern   Feb - Aug 2023

- Spearheaded the incorporation of cloud technologies, including Amazon S3, Amazon Glacier, and Azure, to establish a robust product backup and restore capability.
- Executed zero loss data transfer between OpenDedup stores without media agents, thus minimizing process overhead.
- Demonstrated proficiency in Java, C/C++, Perl, and Amazon SDKs, and executed projects with SAFe Agile/Scrum methodology with customer centric innovation.

Sparks Foundation
Igniting innovation and education for a brighter future.

Web Development Intern   Jun - Jul 2021

- Developed a user-friendly Banking Application using HTML, CSS, JavaScript, jQuery, Bootstrap, PHP, and SQL
- Enabled convenient online account management, including account creation and transaction tracking for secure banking experience
- Demonstrated expertise in integrating diverse technologies for a holistic digital banking solution.

Projects

Task Manager

- Created a JavaFX app with Java backend enabling multiple users to manage individual to-do lists, utilizing JDBC Drivers for seamless database integration.
- Implemented a secure system storing user credentials and to-do list data in a database, ensuring data integrity while providing a user-friendly JavaFX front-end.

Chat Bot

- Built an AWS-powered chatbot on Facebook Messenger and Slack, facilitating doctor discovery, appointment booking, and appointment history access while continuously improving its vocabulary through user interactions.
- Utilized AWS Lambda to bolster the chatbot's capabilities, incorporating a comprehensive database for doctors and appointments to ensure accurate responses.

Achievements

Tech Team Member - HackBout
Part of the tech team for a nation wide Hackathon sponsored by GitHub and IBM

Classical Dancer - Kathak
Nritya Shree Awardee and Bronze Medalist at Inernational Kathak Competition
